FEATURED STORY FOR APRIL 24, 2017

How Trump's Federal Workforce Cuts Could Impact Employment Across the Nation

Contrary to popular belief, most federal employees actually work outside of the D.C. metro area. See where and how vulnerable regional economies might be to reductions.

NEWS IN NUMBERS

$1.25 billion

Worth of taxable bonds that California sold last week to help finance construction for the nation's first high-speed rail system. The project has at least temporarily lost some federal funding under the Trump administration.
